**Due to the mandatory order from the Secretary of Health,
 MASKS ARE REQUIRED AT ALL TIME, IN ALL AREAS, AND DURING ALL ACTIVITIES!**

This includes wearing masks during exercise and group exercise classes.

Instructors will be modifying classes as necessary.

A MINIMUM OF 3 PARTICIPANTS REQUIRED FOR A CLASS TO BE HELD

TITUSVILLE YMCA

Group Exercise – January 2021

Classes in any intensity category can be modified for individuals of all fitness levels

LOW INTENSITY

Balance & Fall Prevention – Stability starts here as you develop muscles that are vital for balance and to protect against falls. This class will help to reduce injuries, increase flexibility, strengthen muscles, and improve posture.

Pilates – A stress relieving, low impact mat workout with a strong focus on core conditioning, while improving muscular strength, flexibility, balance, and posture.

SilverSneakers EnerChi – EnerChi is comprised of easy-to-learn, modified tai chi forms aimed at improving well-being. Low-impact movements are practiced in a slow, flowing sequence to progress strength, balance and focus. Chair support is offered to facilitate standing stability and seated exercise options.

SilverSneakers Classic – Increase muscular strength and range of movement, and improve activities for daily living. You'll have a chair for seated exercises and standing support. Your instructor can modify the exercises for your fitness level.

MEDIUM INTENSITY

Body Sculpting – Strengthen and tone during a full body workout using free weights, resistance bands, body bars, stability balls, medicine balls, and your own body weight.

Cardio Circuit – Get your heart rate pumping with this fun, energizing aerobics class combined with resistance training.

Cycle Circuit – During this energizing workout, you start with an intense group cycle to improve cardiovascular fitness and leg strength, and finish with circuit style arm, abs and leg exercises.

Cycle Express – A 30 minute bike ride to get a great workout with all of the same exciting aspects of "Group Cycle."

Fitness Fusion – Get your heart pumping to improve cardiovascular fitness and also strengthen and tone with a full body workout.

Mind, Body, Kickbox – Have fun, work up a sweat, and relieve some stress with a combination of kickboxing, pilates and dance moves.

SilverSneakers BOOM™ MOVE – This fun, dance-inspired workout improves your cardio fitness with easy-to-follow moves set to energizing music.

Strength & Core – Strengthen your muscles with a mixture of full body exercises using free weights, resistance bands, medicine balls and more. Finish off the class with ab building exercises to strengthen your core.

Stretch & Strength – Improve your strength and flexibility using free weights, stability balls, and a mat.

Zumba – Latin inspired dance-fitness class that incorporates international music and dance movements. Zumba creates a party like atmosphere that provides a non-intimidating opportunity for non-dancers, new exercisers or those looking for a change of pace.

HIGH INTENSITY

HIIT (High Intensity Interval Training) – Push your limits with this high intensity class with varying workouts focusing on strength and cardiovascular conditioning.
