SMART START

September 30-November 18

Are you looking to start exercise but aren't quite sure where to start? Join this eight week program on Wednesday's from 5:15-6:00pm. This beginner program will include both instruction and exercise, led by a caring & qualified fitness professional. Build your overall knowledge regarding physical fitness, and increase your confidence and comfort with exercise. Participants will learn simple anatomy of the body, exercise safety, how to create their own goals and reach those goals, create a workout to meet their needs, and more. In this small group setting, participants will be introduced to different types of group exercise classes, wellness center machines, and general fitness equipment.

WILLIAM J. FLEMING WELLNESS CENTER

Our Wellness Center features 16 weight resistance machines, various cardio equipment, a free weight room, and an assortment of other fitness equipment.

Work out on your own, or meet with our Wellness Center Staff to set up a personalized fitness program.

*Must be at least 13 years old to use the Wellness Center.
